

All Abilities Auskick Centre Checklist

- Including an All Abilities Group is supported by our NAB AFL Auskick Committee
- We are confident our centre is physically accessible (ramp access, disabled toilets etc.)
- We know what type of All Abilities Auskick Centre we want to be – Disability Specific or Side by Side
- We have identified coaches to support the All Abilities group
- We have organised to brief all our AFL Auskick families on what being an All Abilities Auskick centre means
- We have sent out the “Getting the most out of our Auskickers” form to all our families and distributed completed forms to our coaches
- We have considered alternate areas within our club to hold sessions if required (e.g. indoors if the oval is too wet and muddy for children who use wheelchairs/walkers)
- We have identified a ‘quiet space’ within our club for families to utilise to if required
- We have visited the AllPlay Footy website at www.allplayfooty.org.au and accessed resources to support our Club, Coaches, Parents and Kids
